## **US 24 between Banner and Little America**

**PEORIA** – The Illinois Department of Transportation announces that intermittent lane closures are scheduled for a portion of US 24 between Banner and Little America from Wednesday, Aug. 3 until the first week of October.

One lane of US 24, approximately three miles south of Banner, periodically will be closed while crews complete culvert, guardrail, shoulder, and slope work. The lane closure will not be in effect the entire time; traffic will be controlled by flaggers when the lane is closed.

Please slow down and use extreme caution while driving through all work zones.
